## NMSF NATIONAL GENERAL BULLETIN NO. 01/2020

**DATE:** 11<sup>th</sup> February 2020

**SUBJECT:** NMSF HANDBOOK – DRAG RACING SSR'S 403.1

---

Kindly note that the following SSR's have been amended accordingly in order to bring it in line with NMSF safety criteria.

*Art 403.1 (ii) Fuels: No restrictions, on condition that officials are informed (in writing on entry form) if methanol, ethanol, nitro methane, alcohol etc. will be or are used 3 days before the event. Vehicles using methanol must be marked with a bright orange "M" sticker on either side of the rear window of the vehicle. Vehicles using ethanol must be marked with a bright orange "E" sticker on either side of the rear window of the vehicle.*

*xiii) All competitors with vehicles running faster than 11.5 second quarter mile runs must wear fire retardant protective clothing as stipulated by the GCR's of the NMSF*

*xv) For vehicles faster than 11.5 seconds, the use of full racing fire retardant suites and neck braces are compulsory.*

*xvi) For vehicles running ethanol or methanol, the driver must be equipped with a full racing fire retardant suit and gloves.*
