NMSF BY-LAWS # 02-2018

Pursuant to the **STANDING SUPPLEMENTARY REGULATIONS AND SPECIFICATIONS FOR CIRCUIT RACING FOR 2017 AND 2018** and as resolved by the NMSF Council on the 17th April 2018.

ART: SSR 361 TRACK SPECIFICATIONS

SSR 361 to read as follows:

Track: A road specially built or adapted to be used for circuit competitions. A track is defined by the outer edges of the racing surface and this includes the outer curbs.

A Competitors will only be allowed to exceed the track limits once during each heat, unless it has been deemed as accidental by the Judges of Fact and or the Clerk of the Course and there was no obvious gain by the competitor in question.

A penalty may be imposed for exceeding the track limits and may result in exclusion for said heat.”
