2. GENERAL PRESCRIPTION

2.1 The Namibian Rally Championship is only open to series production vehicles which shall compete in the classes as defined in SSR 28 Art 2.1.1. Any vehicle not conforming to the class specification as set out in SSR 28 Art 2.1.1 shall compete in an open class. Vehicles competing in the Open Class shall not be classified for overall victory nor shall they score in the Namibian Rally Championship.

2.1.1 Purpose built Off Road Competition Vehicles may compete in the Open Class and shall compete for an overall class win but shall not be classified as the overall rally winner.

2.1.2 Eligible cars – National Rally Championship

Class S1:	Up to 1600 cc
Class S2:	1601 cc to 2000 cc
Class S3:	2001 cc to 3000 cc
Class S4:	Above 3000 cc

Open Class: For vehicles that do not conform to any of the above classes including purpose Built competition Off Road Vehicles

Note:

To determine the classification of the cars in the S-Class classification, the following factors will be applied to the engine capacity with a 5% tolerance:

- Turbo & Super charged engines - 1.4
- 4x4 driven vehicles - 1.4
- Rotary engines - 2.0
- Sequential Gearbox/Shifter – 1.2

All the above factors are cumulative on any one car.

***(Example: A 1600cc engine, turbo-charged 4x4 Vehicle: – $1600 \times 1.4 \times 1.4 = 3136$ - thus class S4)
If the competitor elects to enter in a higher class than his vehicle's actual classification as per the above, such competitor shall remain in the higher class for the remainder of the year.***
