RE: ILLEGAL SPINNING EVENT KHOMASDAL 03 OCTOBER 2020

The Namibia Motorsport Federation would like to place it on record that it strongly condemns and does not condone illegal or unsanctioned spinning and/or motorsport events such as the one which took place in the area of Khomasdal on Saturday the 03rd October 2020.

It is for this reason that the Federation has strived tirelessly to ensure that the motorsport code of spinning be practiced in a safe and controlled environment under the guidance and direction of the Namibian Motorsport Federation and all its safety requirements.

The NMSF will launch its own internal investigation on the matter to ascertain whether any of its affiliate clubs/members of said clubs took part in this activity and will cooperate with the authorities to bring those found to have breached not only the laws of the country but the rules of the federation to book.

Yours in Motorsport
